

INTENTIONAL LEADERSHIP® COURSE for EXECUTIVES

“ *Becoming a leader is synonymous with becoming yourself. It is precisely that simple and also that difficult.* ”

- Warren Bennis

ABOUT

Intentional Leadership has proven extremely successful in developing leadership and positive and effective company cultures. The model is grounded in the principles of:

Self Awareness | Creating awareness of how perspectives influence results.

Emotional Intelligence | Identifying, assessing, and managing one's emotions to create best results.

Peak Performance | Managing wellness and energy for a higher quality of life and effectiveness.

Vision | Creating a compelling and inspiring vision for the future of the organization.

Relationship Building | Creating mutually beneficial and effective relationships.

Accountability | Inspiring a sense of ownership, initiative, confidence and commitment to the vision and values of the organization.

WHY

INTENTIONAL LEADERSHIP?

Organizations are shaped by the vision, style, and behavior of their leaders. As organizations change and grow, an executive's ability to build trust and engagement, remain centered in a clear vision, sustain health and balance, and inspire the best from others becomes increasingly important.

The **Intentional Leadership Course for Executives** is an intensive development experience that will expand your ability to influence the growth and direction of your organization. This program will challenge the way you think about your organization, your leadership and your life and ultimately create new ways of thinking and behaving to achieve powerful results.

OUTCOMES

Optimal Performance | Leading Change and Innovation | Coaching and Developing Others Building Engagement, Trust and Morale | Developing Wellness and Balance Creating a Healthy Culture | Communicating for Results | Stewardship Building and Maintaining Strong Partnerships

Our primary goal is to help you achieve a substantial increase in performance and support you in leading a successful, meaningful and balanced life.

INTENTIONAL LEADERSHIP® COURSE for EXECUTIVES

LEADING ORGANIZATIONAL CULTURE

The Intentional Leadership Course enhances and expands the ability to lead a successful and healthy organizational culture. Executives will eliminate performance barriers, expand natural leadership strengths and lead change.

COURSE COMPONENTS

The course is intentionally designed to create and experience a challenging, insightful and high-impact dialogue. It is led by a team of consultants and includes facilitated conversations, breakout sessions and individualized coaching.

PREPARATION

Intentional Leadership begins with one-on-one coaching, a series of assessments and assignments to identify their current state, desired outcomes and establish goals.

THREE-DAY, OFF-SITE SESSION

The three day course is a dynamic, facilitated conversation including large group, small group and one-on-one coaching. An interactive dialogue and assignments instill core principles, provide feedback, and leverage the group's experiences, while accelerating learning, growth and development.

SMALL GROUP ACCOUNTABILITY SESSIONS

Participants depart the three day program with a plan of action and an accountability group to reinforce and support their progress. During this period, participants apply their learnings within the organization.

ONE-ON-ONE EXECUTIVE COACHING SESSION

Participants receive one-on-one coaching to concentrate on key focus areas, and refine goal setting.

EXECUTIVE GROUP COACHING SESSION

Leaders reconvene for a full day group session to deepen and expand learnings from the three-day course and real-world experiences. The group coaching environment provides real-time feedback, peer support and coaching to apply the lessons to organizational and personal experiences.
